Bounded Swede Gulch Mine
 Know all men by this presents that I Theodore
 Strombeck of the County of Madera State of
 California am held and firmly bound unto
 F. A. Cornell of San Francisco in the sum of
 two thousand five hundred dollars to be paid to
 the said F. A. Cornell or his assigns for which
 payment well and truly to be made, I bind my
 self my heirs ~~Executors~~ administrators firmly
 by these presents, Sealed with my seal and
 dated the 22nd day of March 1894.

The condition of above obligations is such
 that if the above bounded obligor shall on the
 30th day of September A.D. 1894. make execute
 and deliver unto said F. A. Cornell or his
 assigns, provided that the said F. A. Cornell
 or his assigns shall on or before that day
 have paid to the said obligor the sum of
 two thousand five hundred dollar the price
 by said Cornell agreed to paid therefore,
 a good and sufficient conveyance with
 usual covenants of all the right title and interest
 of the Obligor and Estate claim and demand
 both in law and Equity as well in possession
 as in Expectancy of in and to that certain
 portion claim and mining right title or
 property on that certain or lode of Rock con-
 taining precious Metals of Gold Silver, and
 other ~~Metals~~ Minerals and situated in
 Patter Ridge Mining District of Madera
 County State of California and recorded by the
 District Recorder of said district known as
 the Swede gulch Mine 1500ft long by 600ft in
 width and being joined on the North by the
 New Citizen Mine being less than a mile from
 Coarse Gold Gulch being the only mine by that
 name owned by said Obligor - the said
 Cornell agrees to pay the sum of \$500.00. to
 said Obligor on or before the first day of April
 with five hundred dollars is to apply upon the

purchase price of \$2500⁰⁰ agreed to be paid
for the said Mine. Then this Obligations to be
Void other wise to remain in Effect. It is fur-
ther agreed by the said Obligor that the said
Cornell shall have the undisputed right to
work upon the said mine by sinking or tun-
nelling during the Essence of this bound
and can have not to Exceed 30 tons of the Ore
from said mine for testing sampling & Etc

Notice is hereby given that the Texas Flat Gold and Silver Mining Company, the Owner of those certain mining claims situate in Potter Ridge Mining District Madera County, State of California known as and called, the Texas Flat Group of mines, being desirous of taking the benefits of the act of Congress, entitled, "An Act to amend section numbered 2324 of the Revised Statutes of the United States relating to mining claims" approved July 18, 1894, hereby declares that in good faith they intends to hold and work said mining claims.

Said mining claims are located in section 6 Township 8 South, Range 21 East, and Section 31 Township 7 South Range 21 East M.D.B. & M. Madera County, State of California. The southern extremity or south end center of said mine is from the southeast corner of lot 1, in said Section 6, West 1320 feet, thence South 43 degrees West, 507 feet, thence South 44 degrees West 360 feet, thence South 53 degrees 48 minutes West, 94 feet to an Oak tree which is the South end center of said Texas Flat Mining Claims.

From said South end center, North 82 degrees East 300 feet to stake marked "S.E.C." for Southeast corner, from which an Oak tree 2 feet in diameter bears North 82 degrees East 4 feet distant. Also from said South end center, South 82 degrees West 300 feet to a stake marked "S.W.C.", for Southwest corner, from which a Pine tree 8 inches in diameter is 16 feet distant; also a pine tree 18 inches in diameter South 24 feet distant, and marked "S.W.C."

From said South end center, the center line of said mining runs as follows: North 8 degrees West 345 feet to an old shaft, and North 8 degrees West 50 feet from said shaft to a stake; thence North 280 feet to a stake thence North 33 degrees 12 minutes East 145.

feet to an Oak tree 2 feet in diameter, thence North 13 degrees 28 minutes East 267^{feet} to a stake; thence North 17 degrees East, 159 feet to a stake; thence North 13 degrees 30 minutes East, 154 feet to a stake, being the North end center of the first mine, one of said mining claims. From which a pine tree 1 foot in diameter bears North 71 degrees West 10 feet distant, said stake being marked "N.E.C." on the south and "S.E.C." on the North, and being the South end center of the second mine, one of said mining claims.

From said North end center of said first mine, South 65 degrees 25 minutes East 300 feet to a stake in a cluster of three Oak trees 18 inches in diameter, marked stake "N.E.C.", for first mine, and "S.E.C." Southeast corner for second mine. Also from said North end center North 65 degrees 25 minutes West 300 feet to a stake at the root of a dead chaparral, marked stake "N.W.C.", Northwest corner of first mine, and "S.W.C.", for Southwest corner of second mine.

Thence from said South end center of said second mine, the center line runs North 18 degrees 16 minutes East 90 feet to pile of rock thence North 19 degrees 20 minutes East 435 feet to stake; thence North 47 degrees 24 minutes East 80 feet to a stake; thence North 25 degrees 30 minutes East 325 feet to a stake at the mouth of a tunnel; thence North 12 degrees 45 minutes East, 530 feet to a stake marked "N.E.C." on South for North end center of second mine, one of said claims, and "S.E.C." for South end center of third mine, one of said mining claims; thence North 77 degrees 15 minutes West 300 feet to a stake marked "N.W.C." for Northwest corner of second mine one of said claims, and "S.W.C." for Southwest corner of third mine, one of said claims. Also from said end center South 77 degrees 15 minutes East 300 feet to a stake 2 feet North of a pine tree 14 inches

indiameter, marked stake "N.E.C." for Northeast corner of second mine, and "S.E.C.", for Southeast corner of third mine. The center line of the third mine, one of said mining claims runs from said last mentioned end center North 35 degrees 15 minutes East 325 feet to a stake at a top of a hill, thence North 18 degrees 50 minutes East 228 feet to a stake; thence North 7 degrees West 210 feet to an Oak tree thence North 1 degree 10 minutes East 200 feet to a stake; thence 14 degrees 10 minutes West 343 feet to a stake; thence North 4 degrees 12 minutes West 194 feet to a stake marked "N.E.C." for North end center of third mine, and "S.E.C.", for South end center of fourth mine, one of said mining claims. Thence North 85 degrees 48 minutes East 300 feet to a stake marked "N.E.C.", for Northeast corner of third mine, and "S.E.C.", for Southeast corner of fourth mine; also from said last mentioned end center, South 85 degrees 48 minutes West 300 feet to a stake marked stake "N.W.C." for Northwest corner of third mine and "S.W.C." for Southwest corner of fourth mine. The center line of said fourth mine, one of said mining claims runs, from said last mentioned end center, North 11 degrees 15 minutes East, 167 feet to a stake; thence North 2 degrees 30 minutes West 196 feet to a stake; thence North 10 degrees 48 minutes East 170 feet to a stake; thence North 24 degrees 28 minutes East 348 feet to a stake; thence North 21 degrees 37 minutes East 188 feet to a stake; thence North 22 degrees 20 minutes East 278 feet to a stake; thence North 25 degrees 30 minutes East 153 feet to a stake being the North end center, marked "N.E.C." of the fourth mine, from which an Oak tree 18 inches in diameter bears North 36 degrees West 30 feet distant; thence North 64 degrees 30 minutes West 300 feet to stake marked "N.W.C.", for North West corner of said fourth mine, also South 64 degrees 30 minutes East

300 feet. from said North end center to stake for the Northeast corner, from which is Pine tree one foot in diameter, North 64 degrees 30 minutes West at a distance of six feet.

In witness whereof, the said Texas Flat Gold & Silver Mining Company has caused these presents to be executed by its Secretary thereunto duly authorized, and its Corporate seal to be thereunto affixed this 20th day of December 1894

 J. H. A. Krohn, of the County of Madera in the
 State of California a Citizen of United States,
 do hereby declare and publish a legal notice to
 all the world, that I claim, and have a valid
 right to the occupation, possession and enjoy-
 ment of all that singular, that tract or par-
 cel of land lying and being in the County of
 Madera in the State of California for the exclu-
 sive right of way for the purpose of Construct-
 ing a flume or water ditch from Fresno River
 to the Hoboken Millsite claim, and more par-
 ticularly described as follows: Commencing or
 initial point of diversion is made by a stone
 mound with an alder stake placed in it
 marked W. R. on the South East side of Fresno
 River, at a point where said river passes between
 two large boulders located nearly opposit to each
 other, This point is between Zubers house and
 the Section house below, and about 150 yards above
 the Section house, I also claim and have a valid
 right to the enjoyment and use of two thousand
 inches of water from said River for milling
 purposes to be conveyed trough such flume or
 water ditch to said claim, some 5000 feet along
 the course of Fresno River to the Hoboken Mill
 site together with all and singular, the heredita-
 ments and appurtenances ^{and shall be known as the} thereto belonging
 or in any wise appertaining Hoboken Water right

Copy of affidavit of Assessment work
upon the Texas Flat Group of Mines;
performed by T. T. Anderson for the Owners

State of California } ss
City and County of San Francisco }

T. T. Anderson, being duly sworn, deposes and says: I am the agent and representative of Texas Flat gold and silver Mining Company, a Corporation, organized and existing, under the laws of the State of California.

The said Corporation is the owner of four (4) Mining claims in Texas Flat, Potter Ridge District in the County of Madera state of California, known as the "Texas Flat Group of Mines".

That such agent-affiant has had possession management and charge for and on behalf of said corporation of said mining claims and group of Mines.

That many years since, the digging of a tunnel was commenced upon the hereinabove mentioned claims, for the purpose of developing said claims, and each of them, and the lodes therein, by the predecessors of said corporation.

That since said corporation has become the owner of said mining claims and tunnel, it has continued running the same for the purpose of developing the lodes in said claims so owned by the said corporation.

That during the year 1895 and in the months of November and December of said year, affiant, as the agent and representative of said corporation, and for and on behalf of the same, has performed work upon said tunnel in extending the same and in timbering portions thereof (which had become out of repair) and removing caved material therefrom, and putting said tunnel in a condition that the same could be used in operating said mines; and also has performed labor upon said claims in ditching

the same, in order to prevent water from running into the inclined shaft, and also repaired the roads on said claims.

That affiant, for and on behalf of said Corporation has expended in labor and improvements, as aforesaid, a sum of money in excess of four hundred dollars (\$400.00) lawful money of the United States.

That money so expended was for the benefit of said mining claims, and the whole thereof so constituting said group of mines as aforesaid.

That said labor has been done and said improvements made in compliance with the requirements of the Statutes of the United States, ^{and} of the Statutes of the State of California, and in accordance with the laws, rules and customs of said Potter Ridge Mining District.

Subscribed and sworn to before me this
21st day of December 1895

N. E. W. Smith

Notary Public in and for the City
and county of San Francisco State of California
